

SURVIVING ARMENIAN DEPORTEES IN THE OTTOMAN EMPIRE, 1917

Map 2

This map represents Talaat Pasha's working data on the destruction of Ottoman Armenians in 1914-1917

KEY

Ottoman Armenians...

● % native to province in 1917

● % outsider to provinces in 1917

Data has not been adjusted for undercounts

Size of circle relative to population size
(For full data see *Talaat Pasha's Report on the Armenian Genocide, 1917*)

Official resettlement zone for Armenian deportees, 1915

Armenians counted**
in 1917 (204,157)

48%
97,247
Armenians
native to
provinces

52%
106,910 Armenians
from outside
provinces

* The high percentage of outside Armenians in Aydin (1917) reflects migrant workers who were not deported from this province in 1915-16.

** These figures do not include Protestant and Catholic Armenians.

*** The data for Der Zor on this map represents the uncorrected figure that appeared in Talaat's main report, and not the corrected figure in his footnotes.
